COPYRIGHT FORM **Amplity Health**

Tentative Manuscript Title:

Publication: *Journal of Hematology Oncology Pharmacy*

Copyright Transfer: The undersigned hereby assigns to Amplity Health (henceforth "Amplity") all rights under copyright to this manuscript that may exist in any form, including print and electronic media. The undersigned hereby warrants that the manuscript is original and that he/she is the author of this work and is authorized to sign this copyright agreement. To the extent that the article incorporates material from the works of others, the undersigned has obtained any necessary permissions as stated below. The author also represents that this is an original manuscript that has not been published in any form before and will not be submitted for publication anywhere else without the written consent of Amplity. In the event the article is not accepted for publication in the *Journal of Hematology Oncology Pharmacy* the copyright transfer will become null and void.

Author Copyright Warranty: The author signing this form represents to Amplity that he/she has the power and authority to sign this form and has obtained consent of all other authors who have contributed to this article to sign this form on their behalf, and indemnifies Amplity for any breach of this representation.

Material Copyrighted by Others: It is the responsibility of the author, not of Amplity, to determine whether any material used in this article requires prior consent and authorization of other parties, and if so, to obtain such consent in writing and submit to Amplity before publication of this article. I, the undersigned, hereby represent that the manuscript delivered by me to Amplity contains no material that is not my original work unless the written consent of the publisher and owner of that material has been obtained for any reprinted material. I have delivered to you, Amplity, together with the manuscript, the written consent of every publisher and owner of any copyright of any material that was used by me in the manuscript.

I further represent that the publication of the manuscript delivered by me to Amplity will not violate the U.S. Copyright Law, unlawfully infringe or interfere in any way with the literary property of another, nor contain libelous matter.
